

Final Portfolio Project

Collect and create a PDF of all the work you have created this semester

- *Create a multiple page document in InDesign
- *Revise and update all your projects
- *Label all your projects and provide descriptions as necessary
- *Make sure your PDF looks organized and neat

- *You can create it Letter Size or any other size you decide (some of you may decide to create it in web size)

- *Create outlines for ALL TYPE.
- *Create a title page with your name

- *Save the project as Lastname_Final.indd for your records.
- *Save the project as Lastname_Final.pdf and share with class.

You will present and turn in this work on our FINAL DAY.

Final should include at least 10 projects.
Choose your best 10 from the semester.

1. World Alphabet Project
2. Type Anatomy Project
3. Expressive Type Project
4. Setting a Quote Project
5. Zine Project
6. Graphic Design History Project
7. Color & Hierarchy
8. Grid Layout
9. Letter Design
10. Font Design
11. Book Cover

*You may also include any other notes, sketches or drawings you created for this class this semester.
